A photograph of a church service. In the foreground, a young man with short brown hair is singing with his mouth open and his right arm raised. Next to him, a young woman with blonde hair is also singing with her mouth open and her right arm raised. In the background, other people are visible, some with their hands raised, suggesting a large gathering or worship service.

Empowering the next generation of the church!

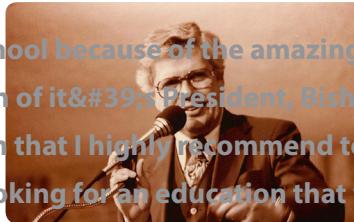

Letter from the Chancellor

The establishment of Kairos is perhaps the most important event in the church during this decade. The church was established by Jesus not only to lead people to Christ, but specifically to disciple those who came to Him. Jesus did not call people to an altar to pray a prayer but Jesus built his church by saying to twelve men, "Follow Me, and I will MAKE you". That is discipleship at it very best. Jesus disciplined men to change them and make them into world changers. Kairos is not a new school. Kairos is the successor to Buffalo School of The Bible and Elim Bible Institute and follows in the tradition of those very successful schools. In succeeding them, it is linked to the great traditions of over 100 years of great education provided by those institutions.

Today, Kairos joins the traditions of those Buffalo School of The Bible and Elim and joins them with the phenomenal ministry of Bishop Robert Stearns and his world wide influence. Kairos is truly equipped to disciple men and women into leadership in the body of Christ and to make them truly world changers. The only schools that truly make people into men and women who will change the world are those schools that are led by true apostolic leaders who have changed the world. Thousands were educated at Oral Robert's University because of the apostolic leader who had called them together under his apostolic mantle.

Kairos is a truly great school because of the amazing leadership of a true apostolic leader in the person of it's President, Bishop Robert Stearns. It is with great joy and enthusiasm that I highly recommend to you the Kairos School of Discipleship. If you are looking for an education that will change your life and make you into a true disciple of Jesus, you do not need to look further, you have found your place.

Come and be prepared to become a world changer,

Bishop Tommy Reid

Letter from the president

In the mid 1990's I heard the voice of God speak to me about discipling the next generation in the Spirit of Elijah's School of the Prophets. Little did I know that God would begin sending young adults to our ministry from all over the world to participate in a ministry internship at Eagles' Wings. A community of traveling ministers who did life together was born. We began worshipping together and growing together meeting in homes and then traveling to some of the largest churches in the East Coast bringing the presence we carried with us from those house meetings.

Now, after 20 years since that original word the Kairos School of Ministry is being launched out of what started in that discipleship internship program. In the KSM you will join a community of like minded young adults who prioritize worshipping God and being in His presence.

You will find within this school of ministry community an environment primed for you to grow in the message, gifts, and platform that God has called you to.

The moment is now. This is your Kairos opportunity. Join us at KSM and see what God does with your life

Sincerely,

Bishop Robert Stearns

The Kairos School of Ministry Legacy

Buffalo School of the Bible was founded at the Tabernacle by Bishop Tommy Reid in 1977 to fill the need for thousands of new Charismatic Christians who were getting saved but had little or no knowledge of the Bible.

It began with one class that was attended by almost two hundred students. As it grew the curriculum was written and produced by the Pastoral teaching team “in house” with a at the time revelutionary, “School of the Prophets” focus, and it became a premier local Church centered Bible School.

What developed was several “Church Centered Bible Schools of the Prophets” all over the country using this curriculum. In the 80’s the school acquired the “William Hein Biblically Library” consisting of about 35,000 volumes that still exist on the Tabernacle Campus. This acquisition along with the high caliber of teachers, aided the school in its accreditation with the Oral Roberts University Educational Fellowship. In the late nineties the school was strengthened by a partnership with Elim Bible Institute.

The legacy of Buffalo School of the Bible is the Thousands of students who were able to complete the one and two year programs because it was local, affordable, and equipped Christian leaders with a high level of training. Many of the graduates of Buffalo School of the Bible are still in ministry today serving the Lord all over the world.

We are proud that you would be joining the new Kairos School of Ministry with this amazing historical legacy of training Pastors, Evangelists, Missionaries and leaders around the world.

Who we are

The Kairos School of Ministry awakens lives to the Kingdom of God. The presence of God in the Tabernacle of David or House of Prayer is an absolute priority at KSOM. It creates the context and centering point for everything we do at KSM. KSOM's primary mission is to awaken you to the glorious day that we are living in and to find your purpose in bringing the Kingdom of God to the Earth at this time. KSOM is equipping missionaries, pastors, teachers, prophets, apostles, evangelists, business men and women, young people going into all spheres of the world to influence and train the next generation to hear the Voice of God and be His messengers to a world in need.

Student Testimonies

Who knows where I would have ended up if it weren't to Eagles' Wings' School of Ministry. I have not grown in the Lord as much as I have here. Eagles' Wings provided many opportunities for me to grow in my gift-ing's and helped me to realize one of God's main callings for my life. I was able to open up to people I trusted and allow God to work not only in me, but also through me." - Jael (20)

2 years ago I made a choice to give 9 months of my life to God. I really felt that it was the best thing I could do to better my relationship with God. As I took on this Journey I learned the importance of being a young disciple. Ministering to young people in my youth group. During the nine months it has open up a lot of doors for opportunities and looking at the tools giving to me to use in my everyday life, I love the choice I

What you put in is what you'll get out " that's what the wonderful Pastor Mark always said. SOM is a place where I encountered the Lord like never before and it transformed me completely . I went in one person and came out a better version . It's true when they say it's not a vacation and it's not fit for everyone . When you sign up , you must go hungry and know that when you truly commit , submit to your leaders and give your

Going into the School of Ministry was a step of Faith for me. What transpired in that year was more then I could have imagined. I started to see my love for God grow and upon graduating I knew I was called to full time ministry. Now in the 2nd year I'm leading worship and assting pastor an amazing youth minister. - Anthony (21)

The Tabernacle of David

Located in the prayer tower and at the center of Kairos School of Ministry is the House of Prayer. In the Spirit of the Tabernacle of David, the house of prayer is one of the core values of the Kairos School of Ministry and a significant place of training for future leaders in the Body of Christ.
